About

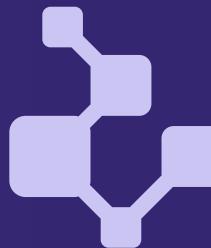

MatLucky
Co. Ltd

We deliver innovative IT solutions to residential, commercial, and industrial clients, enhancing efficiency and security through custom software, network security, cloud computing, and data analytics since 2020

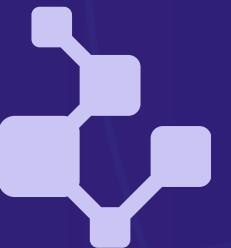

In addition, We supply high-quality IT hardware, software and accessories, ensuring efficient, reliable, and sustainable technology solutions tailored to clients' evolving needs. Partner with us for cutting-edge IT solutions.

Our Journey

Matlucky was founded in 2020 with a primary focus on supplying ICT hardware and accessories. In the early days, we began with a modest portfolio, serving only a handful of clients and collaborating with a limited number of vendors. Despite our small beginnings, we were driven by a commitment to quality and customer satisfaction, which laid the foundation for our future growth and success.

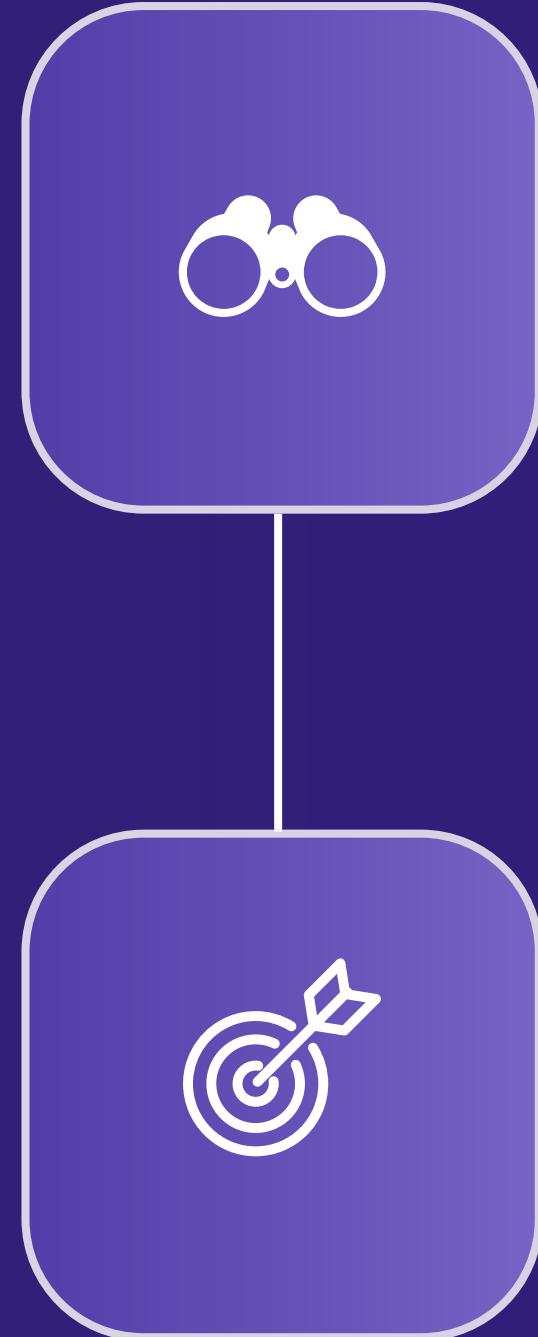

In just four years, we have experienced remarkable growth and transformation. We have evolved from our humble beginnings into one of the most reliable suppliers in the industry. Today, we are not only known for our comprehensive range of ICT-related hardware and software but also for our expertise in providing cutting-edge ICT solutions. Our commitment to quality and customer satisfaction has enabled us to build strong partnerships and expand our client base significantly. We take pride in being a trusted partner for businesses seeking reliable technology solutions that drive efficiency and innovation.

Company Values

Vision
